## NOBLE LADY TARA YÜLLÉ GYALMA

This Tara's name in Tibetan, Tara Yüill Gyalma, means "Tara who gains victory over war". She is renowned for protecting against all the obstacles related with wars. She can reverse the march of armies or stop the war completely. Her protection also applies inwardly too, as she stops hostile emotions born of conceptual thinking that disturb our awareness and wisdom and might lead us to warlike actions.

Her Praise is:

ཡུལ་འཕེལ་བསྐྱེད་པ་ཐ་མའི་མེ་ལྷུང་།

CHAG TSHAL KAL PA THA ME ME TAR

Homage, Mother, residing amidst the garland that blazes

འཕྲུལ་པའི་ཕྱིར་པའི་དབྱེ་བ་གནས་མ།

BAR WE THRENG WE U NA NE MA

Like the fire at the end of the world era,

[illegible]

YE CHANG YON KUM KUN NE KOR GE

Right leg extended, left bent, encompassed by joy.

དག་ཡི་དཔུང་གི་རྒྱམ་པར་འཛུམས་མ།

DR A VI PING NI NAM PAR IOM MA
